```

Leason Learn

What Went Well?

Pencarian motif yang akan digunakan sebagai karya pola 2d, saya menggunakan pola Japanese crest sebagai tugas pola ini.

What didn't go Well? Solutions?

Sedikit kesusahan saat melakukan scaling, tetapi saya mencoba referensi yang ada di internet dan juga teman saya

What might have been better handled if done differently?

Karena tugas waktu yang saya kerjakan saja telat 1 minggu oleh karena itu sepertinya saya butuh keringanan waktu yang lebih untuk mengerjakan tugas ini.

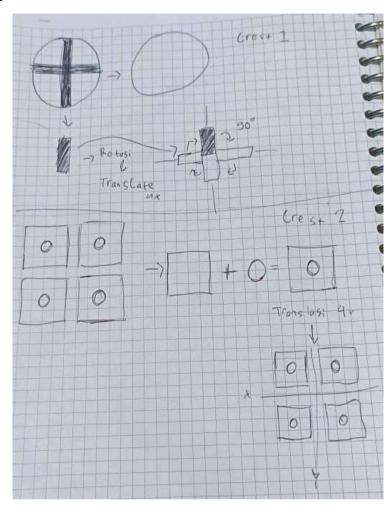

What recommendations would you give to others who might be

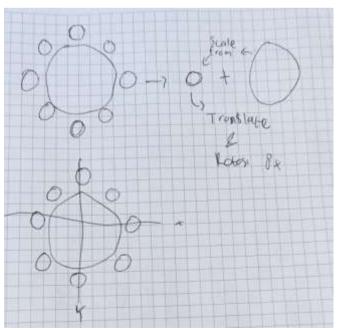

Pelajari semua bentuk tranformasi terlebih dahulu seperti rotasi, translasi dan skala.

involved in future projects of a similar type?

Harus lebih menghargai waktu agar tidak terlambat untuk kedepannya
